### HEADTEACHER MESSAGE

Well, it's certainly been a very busy week in terms of news and our children have lots of things for you to read tonight. So, if you have an unreliable 'postman' or 'postlady', please check their bags!

We are delighted to share our Autumn term curriculum overviews with you so that you know exactly what your child will be learning this term. Staff have been working very hard to identify key skills and knowledge to consolidate this term from last year's curriculum. This content can be found at the top of each subject, called 'Recovery Curriculum'.

I'm sure that you're aware of the new North East lockdown restrictions which come into force from today. As part of new measures, all pupils in year 7 and above are required to wear face coverings in school when moving around in corridors and communal areas from Monday. A letter containing further details has been sent home with your child today.

On a lighter note, I thoroughly enjoyed meeting our wonderful, dedicated BMSPTCA on Tuesday evening! Their dedication and commitment in making the school an even better place for our children is highly commendable. We are lucky to have them behind us! Plans are already in place to raise money and we have quite a few exciting surprises in store!

I do hope you have a lovely weekend and that this glorious weather continues! Take care.

### WHILE THE SUN SHINES....

It's been lovely to see our pupils making the most of their social times this week. We have just ordered over £400 of equipment for each bubble to use at break and lunchtime. Let's hope it's here soon!
