**Subject:** Geography

**Link to learning:**

We are looking at the countries that make up Scandinavia and finding out about their human and physical geography.

Create a report on the similarities and differences between one of the Scandinavian town or cities and Bellingham. Consider the weather, the population, the industry (what jobs or businesses are there?), where in the country is the town or city - near the sea or in the countryside? Is there a school? How does it compare to Bellingham Middle?
