

Enrichment Homework

Autumn 1

Year Group: 7

Subject: French

Link to learning: This year we will be finding out about a school that is located on the outskirts of the French capital city, Paris! The pupils at this school really want to know all about Bellingham and our pupils - and we will soon be finding out more about them!

Task: Create a school timetable in French to show what lessons you study in Bellingham and what our school day looks like!

Expectations:

- Create your timetable either on a computer or on a piece of plain paper. Use the timetable that you have stuck in your planner to help you get the times correct!
- The lessons on the timetable should be **written in French** - you can ask Madame Davis for a list of the words that we will have learned in class if you like!
- You can add little pictures if you would like to make your timetable look more attractive. Maybe add the Bellingham logo?
- You can use paper dictionaries and online dictionaries to search for any other French words that you don't know: www.wordreference.com
