

Spot the Hazard

1. Research river safety.
2. Create a leaflet, poster or list of *Golden River Rules*, to explain the potential hazards and how to stay safe around rivers. You can use the computer, or pen and paper.

Success criteria

- ✓ I can stick my task card into my enrichment book.
- ✓ I can circle ten hazards in the illustration.
- ✓ I can independently research river safety.
- ✓ I can create a poster, leaflet or set of Golden River Rules to share my knowledge of river safety.
- ✓ I can present my work to a very high standard, containing images and colour.
- ✓ I am proud of my work.
