

Bellingham Middle School
A Specialist Sports College
Inspiring learning

As you may have seen on the news, the results from the SAT tests that the children took in May have now been released. The children took tests in reading, spelling, punctuation and grammar (SPaG) and maths. We are very proud of how hard our pupils worked towards these tests and how mature they were when sitting them.

Unlike in previous years, there is no level reported and we have been given the raw score and a scaled score for each test. In short, a scaled score of 100 represents the expected standard.

	Our school	National
% of pupils achieving the expected standard in reading, writing and maths combined	52%	53%
% of pupils achieving a high score in reading, writing and maths combined	6%	5%
% of pupils reaching the expected standard in reading	61%	66%
% of pupils achieving a high standard in reading	10%	19%
% of pupils reaching the expected standard in writing	77%	74%
% of pupils working at greater depth in writing	10%	15%
% of pupils reaching the expected standard in maths	65%	70%
% of pupils achieving a high standard in maths	10%	17%
% of pupils reaching the expected standard in spelling, punctuation and grammar	52%	72%
% of pupils reaching a high standard in spelling, punctuation and grammar	6%	23%

Average scaled score (where 100 represents the expected standard) **and average progress:**

	Our school	National	Average progress
Reading	100.0	103	-3.17
Spelling, punctuation and grammar	100.3	104	n/a
Maths	100.2	103	-3.11
Writing	n/a	n/a	-1.37
