

Enrichment Homework

Autumn 1

Year Group: 8

Subject: Art

Link to learning:

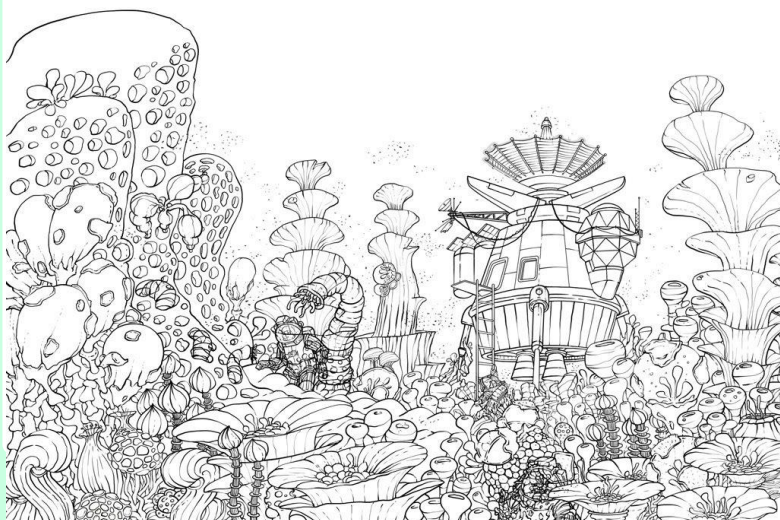

We are doing a project about Space and have been looking at Abstract landscapes and how to abstract objects.

Task:

Can you create your own Alien Landscape?

Expectations:

You can create a 3D shoe box design or a drawing/painting if you want. Really use your imagination and be as abstract as you like! When you are creating, think about;- Who would live there? What would the ground look like? Are there buildings? Does the landscape float in space? Remember if it is Abstract it can be whatever you can imagine!

1. On a piece of paper, sketch out your design
2. Add colour to your design
3. Add any final detail and outlines.
