

HEADTEACHER MESSAGE

Welcome back everyone to the summer term at Bellingham Middle School. Pupils have returned to school refreshed, ready to learn and smartly turned out in their summer uniforms. Thank you for ensuring that your children are properly equipped for lessons. Do remember that our new stationery shop is now up and running during Wake-Up Club on Mondays, Wednesdays and Fridays (see price list below).

We are looking forward to another exciting and extremely busy term, including trips to Kingswood for KS2 and Hawkhirst for KS3; the summer production and of course, the prom for our older pupils. Our enrichment programme on Friday afternoons continues this term, with further curriculum extras on offer for your child to try, including wildlife gardening and children's yoga. Homework Club will also continue each lunch time for any pupils who need a quiet place or computer access to complete work. As ever, please do not hesitate to get in touch if you have questions or concerns about any aspect of school. We are here to listen and happy to help.

Kind regards, Helen Samuels, Acting Headteacher

KS2 Bikeability: Congratulations to all our Y5 and Y6 cyclists who have now completed their road safety level one and two awards. It is so good to know that more of our younger children now are actively aware of how to keep themselves safe on their bikes. The assessors who worked with our pupils over several days even sent the school a letter to say how impressed they were with the respectful, responsible and enthusiastic way in which Bellingham Middle pupils engaged with the course.

School Production 2018: Many of the pupils have been asking what this year's summer production will be. After much deliberation, we can't wait to get cracking with rehearsals for "The Amazing Adventures of Superstan" – a comical musical of muscle and marvel! Open to all pupils, we hope that you will encourage your child to get involved. Evening Performance Date: Tuesday 17th July.

CLASS ZONE

This week, all of Y5 have been busy enjoying practical science, investigating how thermal insulators help keep packed lunches cool in the summer. Let's hope we get to enjoy some sun soon...

On Wednesday afternoon, there was a great smell wafting up the corridors as KS2 made fresh pizzas. A staff favourite was the breakfast pizza smothered in bacon, sausage, mushrooms and black pudding.

Delicious!

Our Y6 stars have impressed everyone with their determination and focus in preparation for their SATs. To help keep them relaxed and worry-free, the children have also been playing memory games, doing lots of PE and even Miss Mason's famous meditation. Keep up the good work Y6 – you are making us very proud!

KS3 are making excellent progress with their textile project: decorative cushions. This week, they have been getting to grips with "Bondaweb" and Mrs Carr was incredibly impressed with their ironing skills!

Our new Y7 and Y8 Sports Leaders had the chance this week to work with Damien Dimmock, Sports Leadership Coach. We look forward to seeing them in action as they support other pupils in summer sports this term.

MEMOS AND REMINDERS

Summer Uniform: White polo shirt instead of white shirt and tie.

N.B. Any problems, please contact school. Gregg Sports have been in contact and are completing all orders already placed; these will be delivered to school. The office will collect the money on behalf of Greggs Sports, so any cheques should be made payable to *Greggs Sports*.
