

Enrichment Homework Summer 2

Year Group: 5

Subject: ADT

Link to learning:

We are starting our final project of year 5 it is called INSECTS! We are going to be learning about environment and art and how we can use ADT to help out planet.

Task:

Bees are essential to life. Without bees and pollination we have no crops. Can you design a bee garden that encourages bees to pollinate.

Expectations:

1. Follow this link and watch the video about why we need bees.
<https://www.bbc.co.uk/teach/would-we-starve-without-bees/zkf292p>
2. Look at this link on how to design your bee garden.
<https://www.bbc.co.uk/programmes/articles/B0cXHn3Z2p0lv45vpwqg39/designing-your-bee-friendly-garden-what-you-need-to-know>

Remember bees need –

- Something to eat
- Something to drink
- Somewhere sheltered to nest or rest.

3. Create a painting or a drawing of your design including colorful flours and detail.

Due date:

Monday 18th July
2022
