Enrichment Homework
Summer 2

Year Group: 5 | **Subject**: Computing

Link to learning:

Year 5 have learnt how to draw using google draw, they have also been learning to use databases.

Task:

Create a survey to gather information about what children would like to have in their dream bedrooms. With your results draw a birds eye view of a perfect bedroom. The birds eye view image must be created on the computer by using drawing tools NOT images from clipart or the internet.

Expectations:

In your enrichment book I will expect to see:

- a copy of your survey
- the gathered results from your survey
- a printed copy of your image
- annotations on your image to explain what each item is.

Due date:
Monday 18th July 2022
