

# Enrichment Homework

## Summer 2

**Year Group:** 6

**Subject:** PSHE

**Link to learning:** This half-term in PSHE, year 6 will be focusing on change. Although it is inevitable, change can sometimes make us nervous/worried and other times feel happy/excited.

**Task:** Create a booklet all about you, reflect on your time in year 6 and look ahead to year 7 (transition to KS3). This booklet should have your future form tutor in mind, this will be a great opportunity for them to get to know you more.

You could include:

Your likes and dislikes (both in school and out).

Your highlights of year 6, why? These may be academic or not.

What you are looking forward to in year 7 and what you may be feeling worried/anxious about in the next academic year.

### **Expectations:**

You can choose to hand-write or type this project, please focus on presentation (especially if this is handwritten).

The use of subheadings will make your booklet easier to read/understand.

Please make an effort to use the correct spelling, grammar and punctuation. Challenge: can you included fronted adverbials and parenthesis?

**Due date:**

Monday 18th July  
2022
