

Enrichment Homework Summer 2

Year Group: 8

Subject: ADT

Link to learning:

This is the last term of middle school and we are going to be reflecting on all the things we have learnt this year and our time at middle school.

Task:

Reflecting on your time at Bellingham middle, I would like you to create a memory mood board of all the things you have done, friends you have made and memories you have. This is all about you!

Expectations:

1. Collect together memories from your time at school. This could be anything from pictures you have taken, drawings you have done, favorite pieces of work, written down memories, tickets from school trip, magazine cuttings etc..
2. Use a large piece of paper (from art room) and arrange all your memories in a thoughtful way.
3. Make notes and drawings around your pictures and decorate your memory board. This is something you will look back on, keep and treasure.
4. This is your memory board, be creative, you can do it however you like! Make it special to you.
