

Year 5 Computing – Enrichment Homework

1. Create a flowchart that informs an audience about how to make the perfect cup of tea!
2. Once you have completed this flowchart, type a set of instructions that explain how to create a flowchart using Microsoft word. The instructions should include 'print screen' images that show how the flowchart is created.

Success Criteria

- ✓ I have stuck my task card into my enrichment book.
- ✓ I have created a word document that contains a flowchart detailed with how to make the perfect cup of tea.
- ✓ I have typed a list of instructions that describe how to create a flowchart. These instructions include 'print screen' images.
- ✓ I have stuck both my flowchart and my instructions into my enrichment book.
